

# Help Me Race for a Cure

I will be running the **Nike Women's Half Marathon** in San Francisco, California in October and am raising money for the **Leukemia and Lymphoma Society** with **Team in Training!**

- My goal is to raise \$4000 to help save lives and find a cure. With your help, we can eradicate cancer!
- Please consider donating to my cause. There is no donation too small. Every little bit helps!

Donations can be made in **cash**, **checks** made out to LLS (Leukemia & Lymphoma Society), or on my **website** @ <http://pages.teamintraining.org/va/nikesf10/leslieelsaifi>

**Thanks for your support!**
